

PatternFly Community Meeting

February 22nd, 2022

www.patternfly.org/v4

Agenda

Topics

- Day of Learning - Nicole
- Latest release notes - Nicole
- PatternFly calendar - Nicole
- PatternFly Medium and Twitter - Allison
- Highlights from Core developers
- Highlights from React developers
- What we are working on - Matt

Q&A

PatternFly 2022 updates

Day of Learning - Red Hat employees

Date: Friday, Feb 25th & Sunday Feb 27th

Theme: Accessibility

Offerings of interest:

- **The Day of Learning call to action: Try a screen reader**
Open a screen reader (Voice Over if you have a Mac) and learn the most basic controls. Also, consider joining the Using Screen Readers With Linux A11y Group live demo offered on Friday
- **The Day of Learning challenge: Keyboard navigation [#NoMouse Scavenger Hunt](#)**
- **Talk and Q&A: Sharing My Accessibility Experience** ([calendar invite](#))
- **Talk and Q&A: Ongoing Red Hat Accessibility Efforts** ([calendar invite](#)) - will feature myself as a panelist to talk about PatternFly's accessibility efforts.

For more information about the above offerings, and for accessibility related collected resources, visit the [Day of Learning source page](#).

Latest Release Notes - Milestone 2022.01

- [React release notes](#)
- [Core release notes](#)

PatternFly Community Calendar

- Use our [public community calendar](#) to track upcoming events
 - The PF calendar includes
 - Monthly community meeting
 - NEW* [Developer office hours](#) (every three weeks)
 - Design share (every three week)
 - Reach out if you'd like personal calendar invites to the public meetings
-
- Next office hours - Feb 23rd
 - Next design share - March 2nd

PatternFly content

- Follow us on [Twitter \(@patternfly\)](#) for reminders of our events, tips, and updates
- Get UX tips or contribute your own on our [Medium](#). Recent articles:
 - What home renovation taught me about UX
 - Knowing when to break the rules
 - How to reboot your productivity
 - Understanding users' unmet needs through mixed-methods research
 - Challenging perfectionism
 - 4 lessons in content design from Kevin from “The Office”
- Streamlining components guidelines initiative is back
- PatternFly's 8th birthday is May 16th!
 - Have a fun PatternFly fact or milestone? Let us know!

- Created common template for full page demos
 - [Pull request](#)
- Added progress support with plain button
 - [Pull request](#)
 - [See it in action](#)

PatternFly React Update

What we're working on...

Design

The design team is currently working on the following new features and enhancements...

- [Visual Refresh](#)
 - Define the next generation of PatternFly look & feel
- [Filter patterns](#)
 - Revisit and enhance patterns for supporting advanced filter and search use cases.
- [Label enhancements](#)
 - Add editable label groups.
- [Query builder](#)
 - Provide a graphical approach for building complex Boolean queries.
- [PatternFly website improvements](#)
 - Looking at improving the user experience for users of the website including navigation, component pages, and the home page.

Visit the [PatternFly design workspace](#) to see our complete design backlog and WIP.

Development (Core and React)

- [Refactor dropdown components to use a composable approach](#)
 - Re-build dropdowns and selects to use composable approach for better flexibility.
- [Overflow feature for alert groups](#)
 - Manage multiple toast alerts being sent to the screen in quick succession.
- [Re-evaluate drag and drop](#)
 - Reconsider implementation of drag and drop to make more robust and accessible.
- Code editor enhancements
 - Working on enhancements to the code editor component that will include the ability to [size the editor to fit its container height](#) and to [optionally expose hints for using keyboard shortcuts](#).

Visit the [PatternFly issues board](#) to see a complete list of all development work by milestone.
