PatternFly Community Meeting

Dec 13th, 2022

www.patternfly.org/v4

PatternFly community meeting privacy notice

- Please note: meetings are recorded and made publicly available on YouTube.

- You are welcome to keep your camera off and/or change your display name if you would like to maintain more privacy while on the call.

- Recordings are posted without any attendee or presenter names in the video descriptions.

- Presenters will be introduced using their display name on the call. You are welcome to verbally further identify yourself when presenting if you are comfortable.

- If any attendee wishes the video to be removed from public availability from YouTube for any reason, at any time, please let me know and it will be made private or removed immediately.

Agenda

Topics

- Community topics
- Latest release notes links
- Core updates
- React updates

Q&A

Community updates

Community updates

- [PF Release adoption survey](#) (5-10 min)
    - Looking for people who are directly involved in their product team's adoption of releases from the PatternFly team.
    - If you fully complete this survey w/ your name/email, you will be entered for a chance to be one of 10 to win 25 reward zone points (RH Employees only)

- What format of modules do you need for your JS imports? We currently distribute ESM, UMD, UMD modules, and CommonJS. We don't want to be shipping more than we need to.

Community updates

- Update on [v5 major release timeline](#)
  - We have two more feature releases for PatternFly v4 (mid December and end of January)
  - January - April will be all hands on deck for PF v5, tested in May and released in June 2023

- Accessibility scorecard effort ([template](#))
  - UXD's goals:
    - Fill this out for every red hat web based product
    - Raise awareness of a11y compliance
    - Improve our product experiences and quality
  - [Patternfly.org's scorecard](#) as an example
